

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number Q76525

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in

patent number 6,527,018, granted March 4, 2003,

and for which a reissue patent is sought on the invention entitled:

METHOD AND SYSTEM FOR OPTIMIZING BATCH PROCESS OF PREPARING SOLUTION,

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number _____

and was amended on _____

(if applicable)

I hereby claim foreign priority benefits under 35 U.S.C. § 119 based on foreign applications 2000-170255 (Japan) filed June 7, 2000 and 2000-202742 (Japan) filed July 4, 2000.

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The present reissue is a broadening reissue. The claims of the reissue application are broadened by adding new claim 12 corresponding to the recitations of claim 11 but omitting several elements which are not believed to be required for patentability.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

As a named inventor, I hereby appoint all attorneys of SUGHRUE MION, PLLC who are listed under the USPTO Customer Number shown below as my attorneys to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith, recognizing that the specific attorneys listed under that Customer Number may be changed from time to time at the sole discretion of Sughrue Mion, PLLC, and request that all correspondence about the application be addressed to the address filed under the same USPTO Customer Number.

WASHINGTON OFFICE
